69 HEAD SELL

9 bulls

7 steers

36 females includ-

ing 17 cows with

classy calves at foot

Nora Bowen says, "Those two brothers of mine, Harper and Ed, are no "spring chickens", and they should be cutting down on their work". . . . that's the reason for this big reduction sale on Saturday, December 14th. The sale will be held in the new, modern Hoxie Sale Pavilion, located just 1/2 mile south of Hoxie on Hiway 23. The cattle are being offered in just strong breeding condition, with no extra fitting.

Certainly during the past 25 years, no one has been more careful in their selection of well-bred herd bulls and foundation females, than has this firm. They are selling their five-year-old Imported herd bull, Kilkea Consul and 5 young yearling and two-year-old bulls and 3 1963 bull calves. 5 of these bulls are sired by Kickapoo Matador by Bapton Majestic whose first 5 sons averaged \$2,232 in the Kickapoo Sale.

The cows include daughters of Leveldale Custodian, Kilkea Consul, Custodian Purvis, Almahurst Base Pay, S F Ajax, and Susanna Basis.

In addition to Kickapoo Matador, many of the females carry the service of Kilkea Consul and of the young Polled Shorthorn bull, Valley View President 73d x, by the noted Valley View President x, the well-known Blomstrom herd bull in Nebraska.

Many of the females are big cows, weighing up to 1,800 lbs. A registered heifer calf will be sold with the proceeds donated to the Kansas Lassies.

Everything sells T.B. and Bangs tested and fully guaranteed.

KICKAPOO MATADOR - Purchased in the 1961 Kickapoo Farms sale and a well-balanced bull that has developed real well for us and sired a lot of good calves. You will like his sons and daughters in this sale and he is by the noted Bapton Majestic by Kirkton Hercules who was the top sire at Perth, Scotland in 1953 and his sons averaged \$6,000. The first five sons of Bapton Majestic averaged \$2,232 in the Kickapoo sale. Kickapoo Matador is out of a daughter of Millhills Liberator and from the same family that produced a \$40,500, and \$39,000 bulls at Perth. Here's a fashionably-bred young bull with the right conformation and plenty of quality.

SATURDAY, DECEMBER 14, 1963 - HOXIE, KANSAS

CALROSSIE GOLDEN GUINEA

In the 1963 record making sale at Denver, Bowen Bros. purchased a junior herd sire, Kickapoo Rostrum. He is sired by the great Calrossie Golden Guinea pictured above.

Bowen Bros. calve the year around; therefore their bulls run with the breeding herd the year around. All calving dates will be listed in the catalog, or announced on sale day and where indicated, all females have been pasture exposed to the bulls listed. The health of the herd is good and the high percentage of calf crop each year has been exceptional.

From the Sale Manager - - -

Saturday, December 14th, can be a real buyers' opportunity. Bowen Bros. long recognized as one of the larger herds in northwest Kansas, are making a big herd reduction of 45 lots of their well-bred Shorthorns that will be presented in just strong breeding condition, with no extra fitting. Certainly the breeding background of Bowen Bros. Shorthorns are popular and of the profitable kind. Their Shorthorns have earned the reputation of getting the job done in the hands of their many customers and this is one of the finest recommendations that can be possibly made.

Remember the date -- its Saturday, December 14th -- and it winds up the 1963 selling season here in the Midwest.
